Sir,

Grant of S.No.164. of pillangere village, Shimoga taluk, for Talari Service, to collect the amounts due to Sri Venkataramana Devaru at the place.

--- ---

I have the honour to invite kind reference to G.O.No.1761/Muz. 286-35-2, dated 24-6-1936, sanctioning the grant of S.Nos.104 and 105 of the above village, subject to payment of cesses, for services referred to above. The Deputy Commissioner, Shimoga District in his letter No.Muz.L.31/42-43, dated 21-11-1943 (copy enclosed) reports that the S.Nos.104 and 105 are rainfed lands and that the average annual income from them would be Rs.50/- only and this is insufficient for the maintenance of the talari. The Talari has prayed that S. No.164 measuring 1 acre and 24 guntas wet, assessed at Rs.5-2-0, may also be granted to him in addition. The Dharmadarsis of the temple have stated that this prayer may be granted subject to the payment of a reserve amount of Rs.1-8-0. The Deputy Commissioner agreeing with the local officers, has recommended in his letter No.Muz.L.31 42-43 dated 13-3-1943 (copy enclosed), that S.No.164 may also be granted for Talari service, subject to payment of an annual reserve of Rs.1-8-0 and also cesses on full assessment.

In the above circumstances, I request that sanction of Government may kindly be obtained for the grant of S.No.164 also, as recommended by the Deputy Commissioner, Shimoga District. The file of connected records is enclosed for favour of reference and return.

I have the honour to be,
Sir,
Your most obedient Servant,

Subject: The grant of S.No.164 of Pillanagere to Talawar Kenchappa for services to be rendered for collecting the amounts due to temple from the tenants of Sri Venkataramanadevaru temple--Shimoga Taluk.

With reference to your letter No.C.1437/42-43 dated 10th April 1943 on the above subject, I have the honour to state that the Amildar Shimoga Reports that the lands S.Nos. 104 and 105 are rainfed lands and the average annual income from them would be Rs.50/-. It is reported that the Talari is not attending to the collection work independently and he is only assisting the Patel and Parupathegar of the village.

A statement showing the Demand, Collection and Balance of Sri Venkataramana-Devaru temple at Pillanagere for 5 years is enclosed. S.No.164 measuring 1 acre and 24 guntas assessed at Rs.5-2-0 is a wet land. The average annual income from the land is estimated to be Rs.50/- per annum.

The Amildar reports that a lumpsum of Rs.2. per annum is being levied as a Revenue towards the temple funds as Inam Pillanagere village is Sarvamanya and the entire village is endowed to Sri Venkataramana Devaru temple and that only cesses are paid to Government out of temple funds. He furtner reports that the cesses are being levied only on the lands left in the possession of Upadivantas. Hence a lumpsum of Rs.2. is being levied.

In the above circumstaces, I request that sanction may kindly be accorded for the grant of Rs.S.No.164 to the Talari Kenchappa as already recommended.
